1. OBJECTIVE / PURPOSE

The purpose of this policy is to lay down general rules for the payment of subsistence and travelling allowances or costs for the attendance of approved events outside the Municipal area of George.

To create a guideline wherein the compensation for travelling and subsistence costs incurred or deemed to be incurred on behalf of George Municipality (GM) can be handled in a practical, sensible, organized and effective manner.

This policy sets out the basis for the payment of a subsistence and travel allowance for the purposes of official travelling.

2. GENERAL SPECIFICATIONS

- 2.1 The contents of this policy will not be regarded as conditions of employment but as are-imburement for travelling and subsistence expenditure incurred or deemed to be incurred for the attendance of events for official purposes.
- 2.2 Any Councilor must have the approval of the Executive Mayor or his delegate for the attendance of events for which compensation is claimed. Any staff member must have the approval of the Director or his delegate and any Director must have the approval of the Municipal Manager or his delegate for the attendance of events for which compensation is claimed. Claims are only payable if sufficient provision is made for it on the budget.
- 2.3 Any claim must be submitted on the official claim form with the necessary vouchers where specific expenses are claimed.
- 2.4 Any claim containing false information will lead to disciplinary steps being instituted and payments thus made may be recovered from any money payable by the Municipality to the person who submitted the claim.
- 2.5 All efforts should be made to minimize the costs for the Municipality i.e. by travelling together in one vehicle, minimizing overnight stay where possible, etc.
- 2.6 A claim for subsistence and travelling cannot be made at the Municipality as well as another institution for attending the same event. Such action shall lead to disciplinary action.
- 2.7 Sufficient documentation must be attached to the application for the trip e.g., official invitation, agenda or program, itinerary, details of sponsor and amount, etc.
- 2.8 Every representative who travels on the business of the Municipality must comply with this policy in letter and in spirit.
- 2.9 Representatives who travel on the business of the Municipality must appreciate, at all times, that they are ambassadors of the Municipality, that their actions, conduct and statements must be in the best interests of the

Municipality, and that they must comply with any specific mandates they have been given.

- 2.10 Consistent with the Municipality's performance monitoring and evaluation objectives, the Municipal manager will ensure that a database of all representatives and officials travelling is kept.
- 2.11 The policy is further formulated to achieving the following:
 - 2.11.1 To establish a fixed base for travelling and subsistence arrangements for Councillors and employees.

Due to impracticality, the stipulations of the Supply Chain Policy may be disregarded in this matter.
- 2.13 This policy must be read with the Cost Containment policy.

7. RULES GOVERNING ATTENDANCE OF CONGRESSES, SEMINARS AND WORKSHOPS BY THE FOLLOWING DELEGATES:

7.1 Councillors:

A list of congresses and seminars to be attended should be considered annually together with the compilation of the Operational Budget, to enable the Municipality to assign a Councillor delegate per event for that specific financial year and budget accordingly.

After the delegates have been assigned, Councillors may, due to unique personal circumstances, change assignments. In such cases, the Executive Mayor or the Municipal Manager shall be informed of the change.

Should the Director: Corporate Services not compile, together with the Executive Mayor, such a list for a specific Municipal financial year, the attendance of any Councillor of congresses and seminars shall be pre-approved by the Executive Mayor. The same applies for the attendance of any other meeting where delegates of the Municipality are invited to.

The Executive Mayor should take into account the value to be added to GM in relation to the total cost of a Councillor attending, taking into account the cost of attendance, being travelling and subsistence, accommodation and registration fees.

Any attendance by Councillors not specifically budgeted for shall be pre-approved by the Executive Mayor.

7.2 Municipal Manager

Although the Municipal Manager has to attend certain congresses/seminars either officially or as a member, he may also attend other congresses/seminars and should indicate during the budget meeting, which congresses/seminars he intends to attend for approval during the budget process.

Attendance by the Municipal Manager of congresses and/or seminars not specifically budgeted for shall be pre-approved by the Executive Mayor (in consultation with the Chief Financial Officer).

7.3 Directors and employees

Director and employees as holders of specific positions may attend a congress or seminar. Employees should be rotated to enhance capacity building on a broader base in the Municipality.

Should a Director not attend a specific congress/seminar, the Director shall resolve on the employee-delegation.

Attendance by the Director of congresses and/or seminars not specifically budgeted for shall be pre-approved by the Municipal Manager.

Attendance of employees shall be pre-approved by the relevant Director.

7.4 Executive member of institutes/Study Groups

It may occur that employees are elected to serve on Executive Committees or study groups of Institutions or funds. As this is a special privilege for the employee concerned and the public image of the Municipality is extended at the same time, such an employee will, regardless of his salary level, also be delegated to attend a specific congress/seminar, provided that no more than three employees as ruled above shall attend any congress/seminar.

Employees who are elected on Executive Committees or study groups of institutes or funds, and such election was approved by Council, should be free to attend the meetings of the institute concerned, provided that travelling and

subsistence allowance and special leave with remuneration be limited to one institute per employee only.

7.5 SALGA, NMU and other Working Groups

In cases where Councillors or employees serve on any advisory committee of SALGA or NMU Council, permission is granted to such Councillor or employees to attend one or more than one-day workshops or advisory committee meetings, provided that such delegations are limited to two persons and attendance is limited to ten days per year.

Where attendance exceeds the ten-day limit, the Municipal Manager and Executive Mayor must approve the attendance for employees and Councillors respectively.

Where Institutions pay for the expenditure to attend the occasion, Council will not reimburse the person and the request for attendance must indicate as such.

NOTE: It is impossible to budget for all workshops to be attended during a financial year. Every Director must budget an additional amount for the attendance of workshops that cannot be foreseen during the budget process.

8. SUBSISTENCE ALLOWANCE:

The following extract from the SARS “Guide for employers in respect of allowances” as published annually has reference:

*“Subsistence Allowance
Reference to the Act:*

Section 8 (1) (a) read with Section (1) (c) of the Income Tax Act No. 58 of 1962.

Meaning

A subsistence allowance is any allowance given to an employee or a holder of any office for expenses incurred or to be incurred in respect of personal subsistence and incidental costs (for example, drinks).

Important

Compensation or an allowance paid to employees who reside far away from their normal place of employment or who do not spend the night away from home is not regarded as a subsistence allowance and is subject to employees' tax. This also applies in the case of a labour broker.

Amounts deemed to be expended:

Section 8(1)(c) prescribes that the employee shall be deemed to have actually expended a certain amount (daily expenses in respect of meals and /or incidentals costs) where the employee is absent from his / her usual place of residence:

- *Where the accommodation to which the allowance or advance relates is in the Republic, an amount equal to the following is deemed to be expended for each day or part of a day in the period during which the employee is absent from his / her usual place of residence:*
 - *Only incidental costs per SARS guide*
 - *Meals and Incidental costs per SARS guide*
- *The rates are for guidance purposes only. The rates for each tax year will be published by notice in the Gazette.*

The approval of any claim for subsistence allowances is subject to the availability of the necessary funds on the applicable Operational Budget.

8.1 OVERNIGHT

The general rule is that overnight costs will not be paid by the Municipality for attendance of seminars, congresses or meetings within the Municipal area.

If a person is delegated to attend a seminar/meeting and have to travel outside the George Municipality area, the following subsistence allowance is payable to Councillors and employees, subject to the conditions as specified below:

- only if the person is away from his place of work for a period longer than 12 hours, calculated from 18:00 to 06:00 (meal and incidental cost)

The subsistence allowance will be paid in accordance with the non-taxable rate as prescribed yearly by SARS and as it is intended for abnormal circumstances it will not form part of any remuneration package.

Instances where a subsistence allowance is claimed for a part of a day the allocation will be implemented as follows:

- 0 – 4 hours: 40 %;
- 4 – 8 hours 70%; and (Exceeding 4)
- 8 – 12 hours 100%. (Exceeding 8)

The period or time of absenteeism will be calculated from the time of departure from George until the time of return to George after attendance of the occasion.”

No day cost will be paid to an employee for official duties/training/meetings held within the DMA/George area.

There may be circumstances as per paragraph above, that such limitations may be impractical. For example, in instances where the attendance is required over a number of days, or there is a risk to the health of the official or councillor and the cost vs benefit considerations can warrant such expenditure, these expenditures, including subsistence, must be approved by the Accounting Officer or delegated official.

When an employee is absent from his/her usual place of work for more than 12 hours then paragraph 8.1 should be applied.

When an official is authorised to travel to/from DMA/George using his/her private vehicle may claim ad hoc kilometres according to the prescribed rate from SARS if he/she does not participate in any vehicle schemes (e.g. perk/essential).
